# INTERNAL REGULATIONS

## **THESE REGULATIONS ARE POSTED AT THE ENTRANCE OF MARZOTTO VILLAGE AND SHALL BE UNDERSTOOD AS FULLY AND UNCONDITIONALLY APPROVED BY OUR GUESTS.**

Upon arrival, all guests listed under the booking reservation must leave a valid form of ID with the Information Office to be recorded for legal purposes.

In order to ensure guests' safety and prevent unauthorized activity and entry into the village by unauthorized individuals, every guest will be given a wristband at the time of registration, which they shall be required to wear, as a non-transferrable form of personal identification. This wristband shall allow guests to enter and stay at the village, as well as to access all facilities, and shall be displayed upon entrance or at the request of authorized personnel during potential checks. Lost or replacement wristbands shall result in the guest being charged the corresponding fee posted on the premises. Visiting guests or those with day passes are allowed to enter the village from 8:00 a.m. to 9:00 p.m. with no vehicles. They must leave a valid form of ID at the gate. Visiting guests may stay for 45 minutes, while those with day passes shall be given their own wristband to wear, as a non-transferrable form of personal identification, and shall be charged the rate posted on the premises for Beach Day Passes. Said wristband shall only allow access to certain services, as specified on the premises, and must be displayed upon the request of authorized personnel performing checks.

**Failure to pick up one's ID during the hours established shall constitute, for administrative purposes, proof of the guest's prolonged stay at the village and shall result in him/her being charged twice the daily rate for full room and board.**

Guests are only permitted to enter and exit the village, whether with or without a vehicle, exclusively by way of the main gate located at street no. 44, from 7:00 a.m. to midnight. Between midnight and 4:00 a.m., guests may enter and exit the village exclusively by way of the crosswalk at the gate, every 30 minutes, starting at 12:25 a.m.

Parking within the village is only permitted for one vehicle per room, exclusively for guests with a reservation, and in designated areas. Vehicles must display a pass, which shall be provided upon entry into the village. Parking for vans may be authorized by the Direction if arrangements are made prior to arrival.

Parking campers, RVs, or trailers inside the village is strictly prohibited. The parking areas are unattended and the Foundation shall not be held responsible for any instances of damage, theft, vandalism, natural disasters, or other occurrences. Parking outside of the designated areas is strictly prohibited, including during the unloading and loading of baggage. The Direction reserves the right to tow any cars and/or other vehicles not displaying a pass, at the owner's expense.

The beach spot reserved for rooms shall be available from 12:00 noon on the day of arrival to 12:00 noon on the day of departure.

Any pieces of equipment (bikes, rubber dinghies etc.) must be stored neatly, exclusively in the designated areas, which are unattended but usually in close proximity to the buildings.

The Marzotto Foundation shall not be held responsible for any potential damage, theft, or vandalism that should affect the aforementioned equipment.

The facilities and furnishings in the rooms, common areas, and at the beach must be treated with care. In accordance with legal provisions, the use of gas or electric cookers, whether inside or outside of the buildings, is strictly prohibited. Guests shall be charged for any damage caused.

For health- and hygiene-related reasons, guests are prohibited from bringing animals into the village and beach areas.

Minors must be accompanied by their parents or other individuals having express authorization from the minors' legal guardian. These adults shall be held responsible for ensuring compliance with all of the provisions stipulated in these Regulations.

Adults with children shall be held directly responsible for the children's behavior and must take care that their actions do not disturb the other guests at the village. Moreover, children must always be accompanied by someone when using the village's various facilities and must be supervised while swimming at the beach and/or pool and while playing in the park or playground areas, which are unattended.

It is prohibited to eat bag breakfasts in the park or buildings, or at the beach or pool. It is prohibited to enter the restaurant or chapel wearing a bathing suit, or nonetheless dressed inappropriately. The total charge for staying at the village refers to full room and board. As a general rule, choosing not to eat meals and/or breakfast items shall not give guests the right to claim any refund whatsoever.

The contractual period for guests on a **week-long stay** shall go into effect on Saturday, with room/apartment check-in opening at 5:00 p.m. (dinner included), and shall end on the following Saturday, with room/apartment check-out by 9:00 a.m. (breakfast included) for guests staying in rooms in the Buildings, and by 10:00 for guests staying in the Villa Verde apartments.

Guests are also asked to keep in mind that there are designated quiet hours to be observed from 1:00-3:00 p.m. and from midnight to 7:00 a.m. The village has a surveillance and security staff of qualified personnel who are responsible for ensuring that guests comply with all of the provisions stipulated in these Regulations.

Failure to abide by Marzotto Village's Internal Regulations may result in guest(s) being required to leave the premises, contingent upon an uncontestable decision made by the Foundation.

**We are certain of our guests' complete understanding of and willingness to abide by these Regulations and/or to help enforce them, and kindly thank everyone for their cooperation and wish everyone a pleasant stay.**
